**Hey, hey!**

**We would love to invite you & your students to our 2022 Beauty Unveiled Girls Conference. BU kicked off in 2014 as an event for young girls that wanted to encounter Jesus away from all the distractions and pressures that a co-ed setting brings. Since 2014, we have gathered each year to celebrate who God has created us to be, to worship in the awe of our Savior, to escape from the chains that life brings, to learn to fight against the schemes of the enemy and to fall more in love with Jesus.**

**This year, we are focusing on the crossroads of the Christian walk. Many times, we meet Jesus in our lives and we have a decision to make. Do we follow Him? Do we turn back? Do we turn towards the world? We believe that many of us will ask Jesus into our hearts without ever following through with following Him throughout life... At the crossroads, we must follow Him.**

**Our Crossroads event will be full of Biblical stories of guys & gals that came to the crossroads with Jesus, as well as personal testimonies from our breakout speakers. We will be led in worship by our very own Mountain View Roots' Worship team.**

**This event is FREE to all that attend with lunch provided. We do ask that you register at [beautyunveiled.online](http://beautyunveiled.online) or for groups, you can email our founder, Becca McDaniel at [beccamaley@icloud.com](mailto:beccamaley@icloud.com).**

**Hope to hear from you all soon!**

## **Conference with a Mission:**

**At Beauty Unveiled, we have a heart for loving those that feel unloved. This is why Camp Realife in Marianna, Florida has such a huge piece of our heart.**

**Camp Realife hosts an annual Christmas camp each year for Foster Care Guys & Girls between the ages of 10-18 and young people that have been adopted out of the foster care system. Each young person will receive at least 3 gifts under the Christmas tree and a stocking with their own name on it. These students who may have never had those things before (that most of us take for granted), feel so loved afterwards which opens the door for the gospel to be shared to them.**

**As a way for us to support this amazing ministry, we will be taking all the profits made from our Beauty Unveiled merchandise table to donate back to this ministry to help purchase the gifts and other supplies for their Christmas Camp.**

## **Leader Breakout:**

**Hey Leaders! We know that most youth pastors/directors are men... So what could you possibly do at a Girls' Conference? Well, we are so glad you asked. At BU, we have a breakout that is 100% dedicated to youth pastors, leaders, coaches, and parents. In this breakout, we discuss issues surrounding our youth gals & how we can best minister to them. We realize it can be hard to navigate the life of a teenage girl in today's society, but rest assured that you are not alone.**

**We also have a Guys' Lounge for our male leaders to hang out in during the main sessions & free time. From the lounge, you can watch our live sessions. Please don't let your girls miss out on this event due to lack of female leaders. This event will be life-changing for most that attend.**

**Thanks,  
BU Team**
